

Climate Action Team

Linking Climate Change Mitigation and Adaptation Efforts

Eileen Tutt

Deputy Secretary for Climate Change

Climate Action Team

Chair: Secretary for Environmental Protection
Members: Agency and Department Principals
Oversight Team: Executive Staff to CAT Members

Inter-Agency
Working Groups

Energy	Forestry & Ag.
Land Use	Research
State Govt.	Water
WCI	Public Health

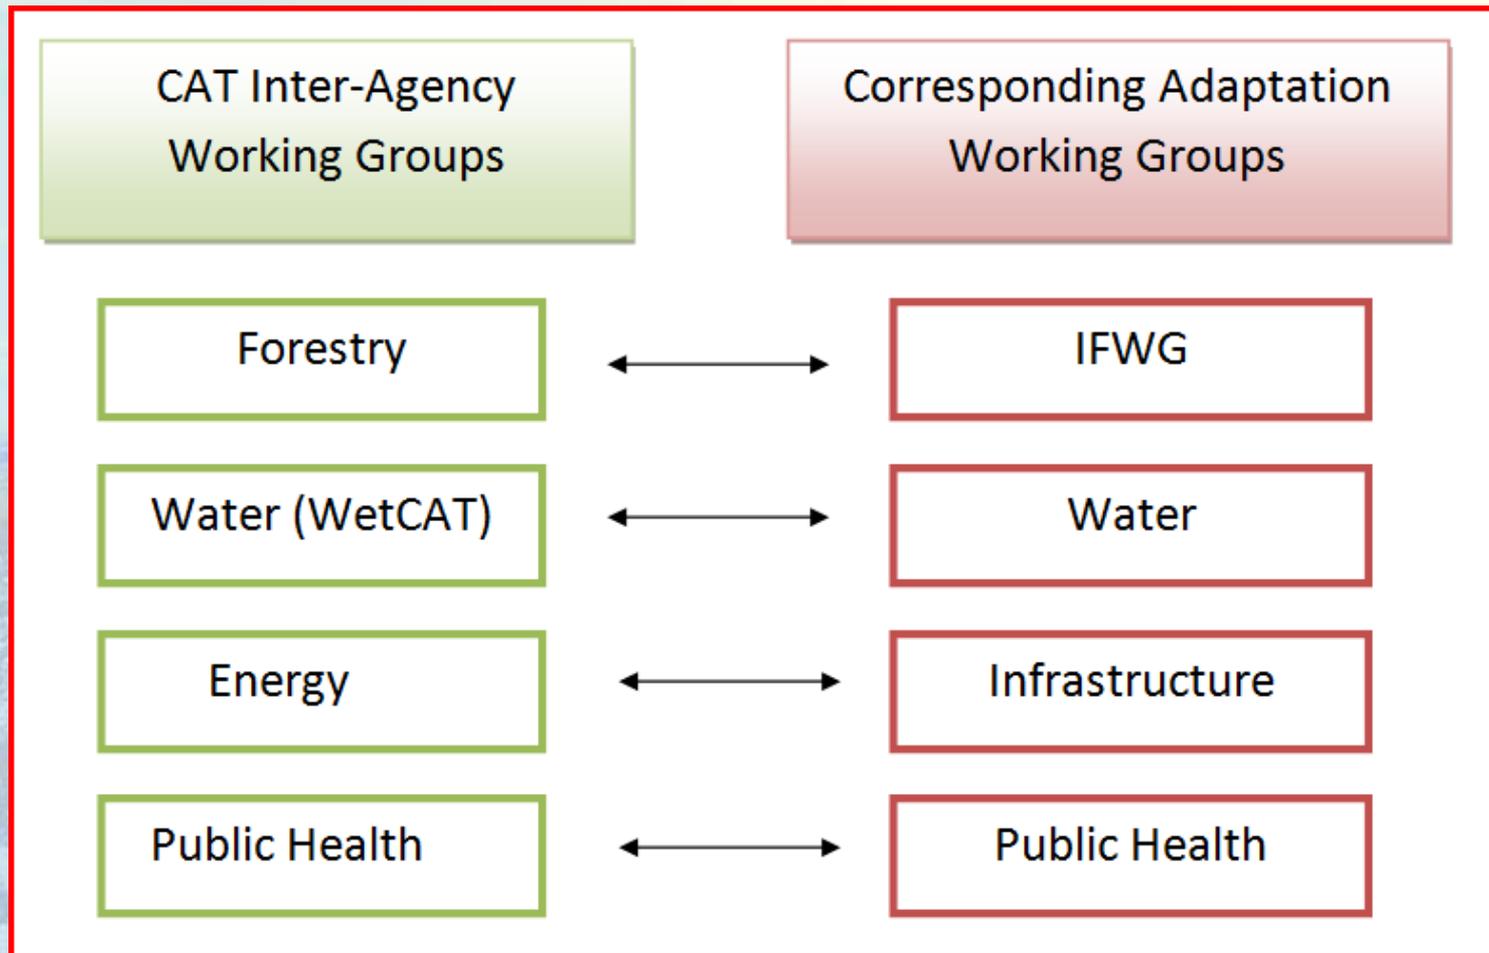

ARB Coordinated Efforts

Scoping Plan
Economic Analysis
Public Health Analysis of Scoping Plan

Climate Action Team

Climate Action Team

- Additional Adaptation Sectors:
 - Biodiversity and Habitat
 - Oceans and Coastal Resources
- No obvious nexus with current Mitigation Working Groups.
- Formal structure would guide integration efforts with these sectors.

Climate Action Team

- Moving Forward:
 - Integration Plan
 - Identify Responsible Agencies
 - Role of the Climate Adaptation Advisory Panel
 - Timeline for adaptation planning efforts
