More Information on Public Meetings

This is the sixth meeting of the Economic and Allocation Advisory Committee (EAAC), which is addressing economic analysis of the AB 32 Scoping Plan and allowance allocation in the California cap-and-trade program. Information on other public meetings to discuss California’s response to climate change can be found at <http://climatechange.ca.gov/>. At this website, you may also join our electronic mailing list to receive further notices of climate change activities and public meetings.

Meeting Materials

Meeting materials and an agenda will be posted prior to the meeting at <http://climatechange.ca.gov/eaac/>

Directions to Public Locations

There are many ways to arrive at any of the public locations. We encourage you to take public transportation or drive low emission/high efficiency vehicles whenever possible.

Special Accommodations or Language Assistance

If you require special accommodations or language needs, please contact Ashley Dunn at (916) 322-7156 or adunn@arb.ca.gov soon as possible. TTY/TDD/Speech to Speech users may dial 711 for the California Relay Service.

We Value Your Input

We welcome and encourage your participation in this important effort. If you have any questions, please contact Ashley Dunn, ARB Office of Climate Change, at (916) 322-7156 or adunn@arb.ca.gov.
