<http://www.calepa.ca.gov/broadcast/>.

**More Information on Public Meetings**

This is the ninth meeting of the Economic and Allocation Advisory Committee (EAAC), which is addressing economic analysis of the AB 32 Scoping Plan and allowance allocation in the California cap-and-trade program. Information on other public meetings to discuss California's response to climate change can be found at <http://climatechange.ca.gov/>. At this website, you may also join our electronic mailing list to receive further notices of climate change activities and public meetings. More information on the cap-and-trade rulemaking can be found at <http://www.arb.ca.gov/cc/capandtrade/capandtrade.htm>.

**Meeting Materials**

Meeting materials and an agenda will be posted prior to the meeting at <http://climatechange.ca.gov/eaac/>

**Directions to Public Location**

There are many ways to arrive at any of the public location. We encourage you to take public transportation or drive low emission/high efficiency vehicles whenever possible.
